Kansas has voted down the woman's suffrage law. Politics in Colorado didn't seem to have undergone the purification that the injection of the feminine vote promised, and Kansas, being a near neighbor, decided to defer the enfranchisement for a while. Tombstone Prospector.

### The Alaskan Boundary

Sixty brass posts to be used in marking the Alaskan boundary, as determined by the recent commission, are being manufactured by a New York firm under direction of the Canadian Government and other firms in Canada are filling similar orders. The posts are five feet long, and will be riveted to solid masonry foundations. On one side in large letters will appear the word "Canada," and on the other "United States."
